

Activity: Reading a Roadmap

Activity: Reading A Roadmap

Purpose: To teach individuals how to read a roadmap by introducing directions.

Duration: 1 Hour

Materials: Picture of a map

Performance Criteria: The individual will work on the following areas:

1. Identify directions
2. Follow one and two-step commands
3. Follow directions
4. Increase over and under skills
5. Increase listening skills

Steps:

Explain to individuals the different directions shown on the map. State the names, north, south, east and west. Ask the individuals to repeat the directions. Once completed, ask the individuals the following questions:

1. Name the state located south on the map
2. Name the state located west on the map
3. Name the state located north on the map
4. Name the state located east on the map
5. Which city is below Hyannis?
6. Which city is next to Columbus heading east?
7. Show me a city that begins with the letter C
